

Bethel Christian School

Two-Year-Old Program

- Monday, Wednesday, and Friday 8:30-11:30
- Tuesday and Thursday 8:30-11:30

In a warm nurturing environment children will develop social skills, learn to separate from their primary care giver, listen to and develop a relationship with an adult outside the home, create, and have fun.

Students will participate in stimulating play centers that develop social skills, language and imagination; and in dramatic play centers such as dress-up, workshop, puppet stage, and grocery store. Group activities include creative movement, active games, gross-motor activities, songs, stories, finger plays, rhymes, chants, Bible stories, and theme topics. Creative activities include painting, play dough, tearing and pasting, sand and water play and building stations.
