

Bethel Christian School

Four-Year-Old Program

- Monday, Wednesday and Friday 8:30-11:30
- Monday - Thursday 8:00-11:00

In a child centered environment where children are challenged to discover and learn, the following programs will be used:

Reading Readiness

Alpha phonics: a weekly study of letters that includes using play dough to form letters, matching letters to objects as well as stories, crafts, baking activities and weekly show and tell.

Literature

Classic books, fairy tales, poems, chants, and humorous books will be used to develop a love for reading. Activities will ensure comprehension and participation.

Math

Math concepts from Math their Way such as graphing, shapes, sorting and ordering, concept of numbers and patterning will be taught using games and math manipulatives.

Art

Art activities with seasonal, story or letter related themes will be taught using various mediums and techniques to build imagination and creative expression.

Social and Dramatic Play

Theme centers, stations and child-fueled imaginative play will develop creative thinking, and strengthen self-image.
