An Outreach of Bethel
United Methodist Church

Our Objectives are to lay a foundation for learning in an environment where children feel safe and loved, and where they are challenged, encouraged to learn, discover and grow emotionally, socially, physically, spiritually and educationally. We strive to create an environment where the children will develop a loving relationship with God and grow in wisdom, faith and love. We strive to provide an educational program which provides a rich variety of experiences for the children who attend, with emphasis on a developmental approach to early childhood education.
